SAFETY JACKPOT

SUPERIOR

Waterproofing & Restoration Co., Inc.

January 2018

Welcome to Safety Jackpot

As a participant in Safety Jackpot, you have a chance to earn points, choose great prizes and win Nationwide Drawings.

While your gamecards and points start to pile up, you will definitely want to check out the Rewards Catalog for all the great prizes you can earn. Point values for each level are listed on the first page of the catalog.

Along with collecting points, you will also be collecting the letters to the word JACKPOT. Once you have all seven letters,

mail the completed Collector Card to Award Headquarters and you earn 1,000 points (if you are not redeeming at the time you will be sent a point check). Mailing in a JACKPOT spelling also enters you into that quarter's \$10,000 Bag-Grab Drawings, the year-end drawing for an all-expenses paid trip to Las Vegas, and the ever popular annual Power-Bag (currently up to \$1 Million)!

All this just for staying safe!

Redeeming Your Points is Easy!

The Safety Jackpot catalog is available exclusively online! You now have more than 4,000 items available to redeem from and the catalog will be updated daily with new items.

Check out the items at www.safetyjackpot.com/catalog. When ready to redeem, just fill out your Award Order Form with your contact information, the item number and a description of the item and mail it in with your points. Then, just mail in your order form to Award Headquarters in the pre-addressed envelope. Safety Jackpot will ship your prize to you within 48 hours of receiving your order. We'll even cover all shipping costs!

Catalog Level	Points Required
Level 1	650
