

**SILLY STAN**

*(by Maria Sanzone from Warren CAT To the tune of "This Old Man")*

Silly Stan, on day 1,  
Used no gloves and lost his thumb.  
With a knick-knack paddy whack, cut it to the bone.  
Silly Stan came rolling home.

Silly Stan, on day 2,  
Did not wear his steel-toed shoe.  
With a knick-knack paddy whack, mashed it under stone.  
Silly Stan came rolling home.

Silly Stan, on day 3,  
Slipped in oil and sprained his knee.  
With a knick-knack paddy whack, wound up lying prone.  
Silly Stan came rolling home.

Silly Stan, on day 4,  
Went In through the Exit door.  
With a knick-knack paddy whack, banged his head with a moan.  
Silly Stan came rolling home.

Silly Stan, on day 5,  
Tangled with a big beehive.  
With a knick-knack paddy whack, leave beehives alone.  
Silly Stan came rolling home.

Silly Stan, on day 6,  
Started horseplay just for kicks.  
With a knick-knack paddy whack, watch out for safety cones!  
Silly Stan came rolling home.

Silly Stan, on day 7,  
Do you think he went to heaven?  
With a knick-knack paddy whack, in the danger zone.  
This time Stan didn't make it home.
