## **Goodbye 2021 – Hello 2022**

Out with the old and in with the new! If you are celebrating New Year's Eve, be safe. Don't drink and drive. See you all next year.

### **Safety in 2022**

The holiday season is coming to an end and the start of a new year is a great time to refocus our priorities and concentrate on the safety of ourselves and our team.

- Keep you mind on the job when you are at work. Being distracted leads to mistakes which can result in harm to yourself or your team.
- Report all hazards or near misses. Reporting hazards and near misses helps us to fix problems before someone gets hurt. If you see something, say something. Safety is everyone's job.
- Stay healthy. Ensure that you are getting at least 8 hours of sleep, keeping well hydrated and avoiding excess alcohol.
- Lead change. If you see a way to improve safety, talk to your foreman, or Bob or the project manager.

**SAFETY IS EVERYONE'S RESPONSIBILITY. MAKE SURE YOU ARE DOING YOUR PART TO MAKE SURE EVERYONE GOES HOME SAFE EVERY DAY!**
