

WE WANT YOU ON THE SUPERIOR TEAM!

SUPERIOR TRAINING ■ SUPERIOR BENEFITS ■ SUPERIOR OPPORTUNITIES

AN INDUSTRY LEADER SINCE 1979

Our company is the St. Louis area's premier specialty contractor in masonry and concrete waterproofing and restoration. We work on high-profile projects like: Union Station, St. Louis University, The Old Cathedral and The Gateway Arch; high-profile projects that will make you proud and that your friends and family will recognize and appreciate as contributing to the St. Louis scene.

LEARN A VALUABLE TRADE

Superior Waterproofing and Restoration Company is a Union Shop with trades in Bricklaying – Tuck-pointing, Concrete Finishers, Laborers and Waterproofers. We'll teach you a valuable trade with proven on-the-job methods. You'll earn as you learn.

There is no need for prior training however, a High School diploma or GED is required for Union membership. If necessary, we can help you get your GED so you can get started.

As a Superior Team Member you can learn rewarding skills such as:

bricklaying, tuck-pointing, stone repair, sealing and caulking; concrete repair including: gunite application, epoxy Injection, expansion joint installation, hi-tech waterproof coatings; plus you can choose to learn additional specialties like: below-grade waterproofing, urethane grout injection, balconies, stadium coatings and air barrier installation.

When your training is complete we'll walk you into the Union and help you through the joining process.

Remember, once you learn a valuable skilled trade nobody can take it away from you.

ENDLESS OPPORTUNITIES AVAILABLE.

The prospect for advancement at Superior is virtually limitless. We're always looking for motivated people who are willing to take charge. We like to promote from within our ranks so, you have the potential to move into project management or sales.
